Hi All,

My apologies for the ambiguous wording, I didn't mean a ride along — you all did such a good job walking us through CARE/CARE+/OHS already. Rather, would the CARE team coordinate with us for each of tomorrow's NELA sites so we can meet them there? Our role would be to observe and be a resource for anyone who may have a question for our office or the Councilmember

We see this as part of our efforts to establish and maintain credibility with the unhoused community in NELA which is essential for the success of future projects coming down the pipeline. We also see it as a preemptive approach to ongoing pushback against providing LASAN's services to our unhoused community.

Let me know if this makes sense and if you would share a good point of contact for the tomorrow's CARE team.

Best,  
Sarah

Hi Sarah,

Nice to meet you! Tomorrow doesn't work for our team but we can definitely set something up for next Friday, 12/11. I have copied Sal and Victor, who likely met during previous ride-alongs, for awareness. We can confirm the details in the early part of next week.

Hi Sarah,

Our NELA field staff would like to tag along on tomorrow's CARE services. Can you help me arrange this? I'd like to know the CARE team for future reference as well as the LAHSA portion of the CARE+ teams in our district. If you could connect me with these folks it would be very helpful.

Best,  
Sarah
